

Remember 54 years ago when first we entered the halls of Mercy?

Our Lady of Mercy School for Young Women is faithful in stewarding all sources of school revenue. We are successful in enhancing faith-filled academic programs, recruiting and retaining top-notch faculty, improving athletics, offering engaging extracurricular activities, and awarding need-based tuition aid. By making a gift to Mercy, you can help us build upon these successes and ensure Mercy is a place where young women of all faiths can receive a world-class education for generations to come.
