

Senior Portraits Information

- For senior portraits, please email a **JPEG** (all other formats do NOT work) directly to Barbara McAdoo at bmcadoo@mercyhs.com with the student's name as the subject line.
- All images must be in 8"x10" (portrait) format and the digital files must be at least 3MB in size (JPEG format) to appear in the yearbook.
- Senior portraits will be printed in color and indoor headshots are preferred. Students and parents need to be aware that anything other than a headshot will make the student look tiny in the yearbook.
- The portrait should be from the shoulders up, with a muted background.
- Please do NOT have props in the photo.
- Please dress appropriately—the yearbook moderators reserve the right to ask for new portraits, if necessary.

All other information will be communicated to students at the beginning of the school year.

*The senior photo deadline is **Friday, November 5.**
