## Notification of Student Photos for Marketing Purposes 2022-2023

At Mercy, we love to showcase all of our students' amazing educational and extracurricular experiences. During the 2022-2023 school year, your daughter's image and name may be captured in photos or videos for use:

- in promotional materials
- on the school's web site
- on social media sites
- in newspaper/television advertising
- in other projects promoting Mercy

Your daughter may appear alone, in a small group, or in a large crowd. If you would like to place restrictions on usage of your daughter's image/video/name, reach out to the Main Office prior to October 3, 2022. We are looking forward to a wonderful school year! Thank you.

There is **no need** to contact the Main Office unless you wish to restrict usage of your daughter's image. **All students are presumed cleared to photograph unless you let us know.** Thank you!
